Examiner's Amendment/Comment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Frank Jordan on March 29, 2004.

The application has been amended as follows:

In claim 16, line 2, replace "fourth" with --third--.

The following is an examiner's statement of reasons for allowance:

No art of record teaches or suggests a thin absorbent sheet, or apparatus for making the same, the sheet having an absorbent polymer powder attached to one surface by a hot melt adhesive at first and second portions, an absorbent powder free area between the first and second portions, and additional absorbent free areas on lateral side edges of the sheet; there being hotmelt adhesive at both the top and bottom surfaces of the absorbent powder.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3761

Information Disclosure Statement

The information disclosure statement filed January 22, 2002 fails to comply with 37 CFR 1.98(a)(1), which requires a list of all patents, publications, or other information submitted for consideration by the Office. It has been placed in the application file, but the information referred to therein has not been considered.
